

## School District No. 27 (Cariboo-Chilcotin)

### VEHICULAR AND PEDESTRIAN TRAFFIC

**Policy No. 3517**

Effective: June 2011

Initial Adoption: January 1995

#### **Policy**

**In the interest of safety, appropriate authorization must be secured prior to the use of school grounds, property and facilities**

#### **Regulation**

1. Unauthorized  
Use of motorized vehicles (i.e. snowmobiles, all-terrain etc.) is prohibited on School District grounds, property and in facilities, other than for the properties' intended use.
  
2. Authorized
  - a. During School Hours  
Authorization from the school principal is required for pedestrian traffic, including bike riders, runners, tobogganers, sliders, cross country skiers, playground users etc and their pets and grazing herds, for use of School District grounds, property or facilities. Authorization can be sought during school hours from the school principal by checking in at the school office.
  
  - b. Outside of School Hours
    - i. User/Community groups use of School District grounds, property or facilities, before and after school hours, is regulated by Policy 3513 Community Use of School Facilities.
  
    - ii. Personal use is at the user's own risk.
  
3. The Board shall post appropriate signage indicating that use is at the user's own risk and motorized vehicles are strictly prohibited.
